*We hope you're having a great summer &
we would like to invite you to participate in our event on August 28th!*

For most children, the spring and summer seasons are a time of sports, warm weather, friends, celebrations and lots of fun! Unfortunately, it can also be a time of stress and sadness to children who are left out of these "normal" activities because they are fighting cancer. HIS KIDS strives to support families with children with cancer during this time, and every day of the year. Each year, hundreds of children in our area are diagnosed with this life-threatening disease. Along with treatments and sickness, cancer brings emotional strain and financial hardships to these families.

But, there is hope and support from people like you! You can help local kids with cancer by supporting our 27th Annual Golf Tournament Fund-raiser!

- **Participate in the golf tournament-Aug. 28, 2021!** A flyer/entry form is included in this letter. Please share this invitation with others, and we would love to email you a version of the form at your request.
- **Become an Eagle Event Sponsor for \$500 or more!** Our top level of support includes professionally designed banners placed visibly throughout the tournament, an ad in our event program, and recognition on our website & Facebook pages.
- **Become a hole sponsor for \$100!** This sponsorship includes a professionally designed sign placed visibly on a tee box and listing in our event program and recognition on our website/Facebook.
- **Donate a prize of any size!** i.e.- golf balls, accessories, anything golf or sports related, restaurant/store gift cards, merchandise, etc.
- **Refreshment donation:** we need individually packed snacks, buns, bottled water, soft drinks, sports drinks, and more!
- **Make a donation of any amount to the event.** Any help is much-needed and greatly-appreciated!

Please send your entry fees/sponsorships with form (on flyer) to the above address by Aug. 23, 2021. Email jbellamy@hiskidsinc.org with company logos/artwork or for more information. Thank you for taking the time to hear about our mission and our kids; a small effort can make a HUGE difference for these kids fighting cancer!

Check out our website at www.hiskidsinc.org for more information about how we help childhood cancer families.
